a Includes employee contributions for Alaska, New Jersey and Pennsylvania. West Virginia had an employee tax that went directly into a debt repayment fund and is not included in these numbers.

b Includes advances from the Federal Unemployment Accounts in the Federal Unemployment Trust Fund for borrowing States.

c West Virginia reserves include revenue generated by a tax assessment used for debt repayment.

g Where the State share exceeds the Federal share, the excess can be due to (1) unemployed workers of reimbursable employers, (2) claimants with wage credits under interstate wage combining, and/or (3) claimants with joint wage credits under UCFE and UCX. Where the Federal share exceeds the State share, the excess can be due to reconciliation adjustments.
