

# Data Validation (DV) Reports Web Release 1.0.0 RELEASE NOTES

Release Date: April 2010

## SUMMARY

Data Validation (DV) Reports Web Software Release 1.0.0 has been installed on Office of Unemployment Insurance (OUI) Internal Web site, <http://www.uis.doleta.gov/>. This release contains a new web-based DV application that generates a detailed and summary report of state submissions to National Office. The Data Validation Reports software implementation is based upon Data Validation web state software version 2.0 submissions or higher. This is developed for Network Explorer 6.0 browsers or higher.

Feature Type	Description
New Requirement	The Results by Validation Year report will display population and DV Item Scores for all populations by State/Region and Validation Year.
New Requirement	The Results by Population report will display detailed scores for DV items by State/Region, Population and Validation Year.
